Contrary to conventional wisdom, almost everyone dissociates to some degree in the face of trauma.

While enabling us to cope when we are young, dissociate parts eventually become dysfunctional - a denial of truly living the life God gave us.

This seminar aims to help participants learn how remove dissociate parts and deal with the accompanying sin issues and demons.

There will be practical sessions

Please advise Malcolm or Diana Dow you are coming as places are limited.

Cost: \$25.00

**Refreshments will be provided.
