Jesus stressed the importance of forgiving others when they sin against us if we want to know the Father's forgiveness of our sins.

Unforgiveness is the cause of much dis-ease in our lives and spoils relationships with others as well as with God.

This seminar aims to teach the nature of and need for forgiveness, and the importance of giving and receiving forgiveness for others and ourselves.

There will be practical sessions

Please advise Malcolm or Diana Dow you are coming as places are limited.
